

GM LS HEX-A-JUST® Timing Set With "Z" TRUE® Roller Chain 9-3158AZ

Cloyes GM LS Hex-A-Just® Timing Set with "Z" Racing Chain delivers infinite valve timing adjustability and premium durability.

Designed for engine builders who demand precise control and maximum power output, this system allows for $\pm 6^\circ$ of continuous camshaft timing adjustment using an integrated billet eccentric camshaft dowel bushing.

HIGH PERFORMANCE TIMING PRODUCTS

Key Features and Benefits:

- Hex-A-Just® system provides infinite camshaft timing adjustability up to $\pm 6^\circ$, enabling fine tuning for optimal power curves, throttle response, and engine efficiency.
 - Billet eccentric cam dowel bushing allows rapid, repeatable adjustments for dyno tuning and trackside refinement.
 - Billet steel cam and crank sprockets, heat-treated for maximum hardness and wear resistance in high-RPM, high-load environments.
 - TRUE® Roller "Z" Chain (0.250") features heat-treated, precision-processed links to reduce friction and improve fatigue resistance.
 - Captured needle cam thrust bearing minimizes friction for smoother, more stable valve train operation.
- Includes camshaft and crankshaft sprockets, "Z" racing chain, and all necessary components for a professional installation.
 - All Cloyes Performance Kits are all hand-matched to ensure correct center distance and minimize runout for smooth timing drive operation.
 - All machined billet parts proudly manufactured in the USA.

CLOYES.COM

Cloyes, based in Fort Smith, Ark., is the North American leader and global designer, developer, manufacturer, and distributor of timing drive systems and components for original equipment manufacturers and the automotive aftermarket. Its products are mission critical components for engine performance and function and are used in high-performance and replacement applications. Cloyes serves a broad customer base, including wholesale distributors, national and local retailers, re-packagers, and production engine rebuilders, and sells its products under the Cloyes® brand worldwide and the Dynagear® and CY-LENT® brands throughout North America.
